

WINE HARVEST RITUAL 90' FOR TWO

A relaxing ritual inspired by the vineyards of Monemvasia and the tradition of the harvest.

The journey begins with a gentle exfoliation using olive kernels and rose petals, followed by a nourishing body mask rich in antioxidants to restore softness and vitality. A flowing full-body massage with warm sesame oil deeply relaxes the body, while a red grape lotion and a glass of wine complete the experience, leaving the skin silky and radiant.
